Whether yours is a grand affair or intimate occasion, you'll be well-cared-for by our experienced team. You can choose from a portfolio of flexible wedding packages or have us create a bespoke event that's tailored to your wishes.

Please take a look at our superb function rooms, which are available to serve as venues for your marriage ceremony, reception drinks, wedding breakfast and evening entertainment.

THE TRAFFORD ROOM

A GEM OF A SPACE FOR YOU AND YOUR GUESTS

The Trafford Room is the jewel in the crown of The Midland's function rooms.

Decorated with exquisite plasterwork, it's further distinguished by being the first place in which the tango was ever danced in the UK. Now it provides a stunning room for a truly stylish wedding – and a sizeable one too, as it seats up to 160 guests.

Our bar and lounge can provide a reception area where drinks can be served prior to the commencement of the wedding breakfast, with the Trafford then to eat, drink and dance the night away.

THE LANCASTER SUITE

A BIJOU SPACE WITH A BY GONE AMBIENCE

This marvellously restored function room is decorated with original Edwardian oak panelling, an ornamental fireplace and embellished architraves that display the emblems of English counties.

The Lancaster Suite's sublimely elegant atmosphere is perfect for intimate ceremonies for up to 80 guests. A separate function room is available for hire if required for a private drinks reception prior to the wedding breakfast which can accommodate 55 guests.

THE DERBY SUITE

A SUITE TO BRIGHTEN YOUR SPECIAL DAY

The Derby Suite is perfect for medium-sized weddings. The room is flooded with natural light that generously illuminates the ornate ceiling, one that typifies the hotel's impressive architecture.

The room seats up to 100 guests, while the adjoining Chester Suite makes an ideal private reception area for drinks when your guests arrive.

THE STANLEY SUITE

A HANDSOMELY TIMBERED AND REFINED ROOM

Originally the Gentlemen's Reading Room, the Stanley Suite is an atmospheric and attractive space with eye-catching wood panels, beautiful architrave craftwork and two ornamental fireplaces.

The warmth of character created by the panelling, in tandem with the intricately decorated ceiling, grants this room an enchanting feel that enhances every wedding it hosts. The Stanley Suite can seat up to 80 guests.

THE ROLLS & ROYCE SUITES

A PAIR OF ROOMS WITH ROCOCO PANACHE

These celebrated suites are named in honour of the most famous motoring partnership of modern times. Sir Henry Royce and Mr Charles Rolls met at The Midland to discuss the formation of the Rolls-Royce motor company – now these splendid rooms are perfect for your very own memorable pairing.

The suites are almost identical, with delightfully decorated walls in the rococo style. Each room also makes the perfect venue for private dining with family and friends. Ideal for up to 24 -30 guests.

SUPERIOR CUISINE AND TAYLOR-MADE SERVICE

To keep a happy couple smiling, refreshing drinks and delicious food play a vital part in proceedings. It's good to know then that you, your family and friends will have all the considerable preparation, cooking and catering talent of The Midland on hand, so that everything served on your special day is a success.

Choosing the right menu is an important piece of any wedding and you'll be invited to make selections from our portfolio of options, according to the number of guests and budget that you have in mind. Alternatively, you can ask us to create a bespoke menu to match your personal specifications.

Our Executive Head Chef will be happy to discuss your choices with you, before our highly-skilled kitchen team creates exceptional cuisine to please everyone in your party.

We can advise you too on the right set of wines and champagnes for your selected menu. Thanks to our extensive cellar and knowledgeable staff, we're well placed to help you make the perfect choices to complement and enhance your dining.

From vegetarian options to religious dietary requirements, whatever special considerations you and your party have we'll be delighted to discuss through a thorough planning process with one of our exceptional wedding coordinators. That way, you and your guests can simply relax and enjoy each course on the day, while we ensure that every other aspect of your wedding runs smoothly.
